

JUNE 2012

June 9th, 2012: CENTER OF HELLENISM – DAMIANOS FOUNDATION, in Skinos-Loutraki

The Ohara Chapter of Greece has organized an excursion to the Center of Hellenism for the Chapter members and Ikebana friends. The Garden of Greek Culture and Civilization aims to contribute to the education, particularly of the new generations, by presenting in a popular and attractive way, the precious Greek cultural heritage, which is a national heritage for the Greeks but at the same time a common one for the whole humanity.

THE GARDEN OF GREEK CULTURE AND CIVILIZATION

HISTORIC ROSE GARDEN, the best in the Bakans and one of the best in the whole world. Its 700 rose varieties include the ancient known rose, that of Cnossos, Crete, the famous roses celebrated in their poems by Sappho and Anacreon, roses of Persia, India and the very rare green rose R.Chinensis Viridiflora of China.
